

Welcome to Olivia B!

My name is Shari Cuartero. I have been working in the jewelry industry for over 25 years as a designer, merchandiser, and in product development. The knowledge and experience gained from those years has been invaluable and has allowed me to fulfill a long time dream of creating my own line of fine jewelry.

In 2016 I established Olivia B. The company is named for my daughter who is also my muse! Based in NYC, Olivia B. is a collection of 14K jewelry defined by vibrant gemstones accented with diamonds. The styling is clean and minimal, allowing the gemstones to draw focus. Often described as fresh, sophisticated and feminine, Olivia B. is accessible luxury jewelry that can be worn day or night!

I am often asked, "Where do you get your inspiration?" For me, it is not one thing. Inspiration can strike at any time. Most often it comes as a surprise to me, when I am in a relaxed state of mind and not even looking for it. Suddenly something will catch my eye, and my imagination will take it from there....

At Olivia B. our focus is on the creation of accessible luxury jewelry.

We are dedicated to producing thoughtfully designed and excellently crafted fine jewelry utilizing high quality materials, gemstones and diamonds. Our chain and findings are American made, stones are cut in Thailand, and the jewelry is assembled at our factories there. Every piece is made to order, allowing the flexibility for customization to suit or customer's needs.

Olivia B. is currently sold in over 60 independent jewelry stores nationwide. Our suggested retails are between \$400.00-\$3000.00.
